Good morning Ravi and Erika,

On behalf of the Port of Seattle, I am pleased to submit the attached Draft Engineering Evaluation and Cost Analysis (EE/CA) Work Plan for the Terminal 25 South Site. The EE/CA Work Plan has been prepared under the Administrative Settlement Agreement and Order on Consent (ASAOC; CERCLA Docket No. 10-2022-0159) executed between the Port and EPA.

Appendix A (Supplemental Data) is included in this submittal (second attachment). Consistent with the Statement of Work, the Draft Sampling and Quality Assurance Project Plan and Draft Health and Safety Plan (Appendices B and C, respectively) will be provided within 45 days after receipt of EPA comments on the Draft EE/CA Work Plan.

We look forward to your feedback. Please let me or Joanna Florer know if there are any questions.

Thanks,  
Julia
